

LÖWENWEISS

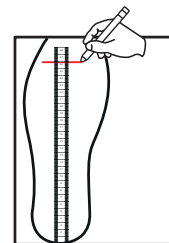

Find your right size.

- 1.** After you have printed the sheet, place your heel along the dotted line.

- 2.** Place your foot, making sure it is perfectly flat and outline the edges with a felt-tip pen.

- 3.** Depending on your size in cm, check the table and find your size!

DID YOU PRINT
IN THE CORRECT FORMAT?

0 1cm 2cm 3cm 4cm 5cm

To verify that the pedometer was printed correctly, measure the ladder above with the help of a ruler. It must measure 5cm.
